Modern Home Renovation Ideas for Every Budget.

We believe at Designed 2 You that every homeowner should have a gorgeously redone space- without breaking the bank! Whether you're craving a dapper new divan or a fresh look in one room—or a full-on overhaul—Designed 2 You, modern looks help you make a statement that looks as great as it is! Our professional crew is talented in providing innovative, practical, and affordable ideas for home renovation in Sydney.

From micro kitchen and bath remodels to full-scale track home transformations, we search for design possibilities that complement your space. Small-scale updates—such as open floor plans, added natural light, and intelligent storage—can bring comfort, functionality, and even a little luxury to your living space. For larger home renovations in Sydney, we provide customized packages based on your lifestyle and budget. We walk you through material choices, floor plan enhancements, and structural changes to keep your remodel on time and within budget—without compromising quality or design.

Need more space? Our Sydney house extensions offer a clever, cost-effective solution to extending your home. Whether you want to add a new bedroom, home office, or living area, we'll help you create a seamless extension that integrates beautifully with your current structure. At Designed 2 You, we strive to make contemporary remodeling easy, inspiring, and fun. We're here to help you rethink your home with practical ideas selected for now—and the future.
